I am a dedicated Front-End Developer who thrives on learning, collaboration, and the opportunity to bring innovative web solutions to life. My passion for this ever-evolving field drives me to excel in both individual and team-oriented projects.

Experience

Front-end developer

Programadores Argentina | Dec 2022 - Present

- Collaborated with cross-functional teams to gather project requirements, define specifications, and deliver front-end solutions that meet client and project goals.
- Developed and designed custom components to enhance user interactions and data input processes.
- Implemented engaging animations to enhance the overall user experience and improve website aesthetics.

Front-end developer

Freelance | Aug 2021- Present

- Developed and designed visually appealing websites for different customers, showcasing product images and detailed descriptions to attract and inform customers effectively.
- Created custom React and Next.js components to provide unique and tailored user experiences, ensuring seamless navigation and interactivity on the websites.
- Implemented SEO techniques, optimizing meta tags, header structure, and content to improve search engine rankings and enhance online visibility for the businesses.
- Conducted performance optimizations to enhance page loading speed, resulting in a better user experience and improved SEO rankings.

English Teacher

- Designed and delivered lessons both online and in-person, to children, teenagers and adults
